

What is U.K. Petite Soccer?

A fun introduction for 3 - 5 year olds to the world of soccer through activity based programs. The emphasis is on a "Games Based" approach to coaching soccer within a fun learning environment. During the spring, Petite programs run once a week for 6 weeks. Each session is 60 minutes long.

Each child receives instruction in a small group setting from one of the professional U.K. Elite Petite Soccer coaches.... parents are welcome to stay and join in the fun.

All equipment is provided by UK Elite. Players are required to bring a drink and shin guards, along with the innovative curriculum and professional training players will receive a UK Elite T-Shirt and Patch.

Our Curriculum

Our innovative curriculum allows children to learn the skills of soccer whilst having fun. During a 6 week program players will learn a number of different skills through participating in our fun based curriculum.

Week 1: Ball Control

Week 2: Passing

Week 3: Defending

Week 4: Shielding

Week 5: Shooting

Week 6: Fun Games/Scrimmages
